Disappointed and dejected, the trees despair about their existence until they finally interact, in their own unique ways, with Jesus Christ in His birth, ministry and ultimate sacrifice. Come share a time of parables and miracles, as Jesus' ministry unfolds. With a question, a laugh, a warm embrace, He uses the commonplace details of daily life to unveil profound spiritual truths. Through a mustard seed or a pearl of great price... a thorny field or a measure of yeast, Jesus teaches a revolutionary concept of inner mortality that brings increasing conflict with the religious establishment of His day. Walking the dusty roads and lush fields with Jesus, we reach a new understanding of His tenderness. We gain a fresh insight into the preparing of His disciples for their mission and ultimate persecution. The feeding of the 5000 reveals the compassion and warm humanity of Jesus as He responds to the needs of ordinary people.

Alarmed at His growing popularity and outraged by His revolutionary message, the religious authorities question and attack Jesus at every turn. An angry Jesus cleanses the temple and a compassionate Jesus grieves over His own people. Feel the emotion when He weeps, "Oh, Jerusalem, Jerusalem.."

**DVD/THEG/G384 The Gospel According To Matthew**

of a heart-motivated faith over outward observance of the laws, they criticize and denounce Him continually.

Against the ceremony and pageantry of First Century Jerusalem, Jesus' final hours unfold with painful reality as actor Bruce Marchiano draws us into every vivid emotion. We join Him at the Last Supper and in the Garden of Gethsemane. Share the pain of Judas' betrayal and Peter's unforgettable denial.. Stand at His side as He faces the might of Rome and the rejection of His own people.

Richard Kiley, playing the role of Matthew, leads us through the events at Golgotha... as the anguish of the cross is transformed by the glory of the resurrection. ### **DVD/AQUE/A002 A question of Origins**

#### **Examining the creation/ evolution controversy**

During the past century, much of the world has accepted the theory of Evolution as fact. Yet the molecules-to-man theory has no direct evidence to support it at all.

*Origins* provides over-whelming evidence in favor of Creation. The theory of Evolution has been applied to most scientific fields and this DVD thoroughly exposes the blind speculation and evolutionary bias in three of these areas of science including: Cosmology, Chemistry, and Biology.

This visually rich, full production reveals conclusive evidence that the universe and all life were created by a Supernatural Being, and that the God of the Bible is that Creator. The Bible is the only Holy Book in the world that is scientifically accurate. In addition, scientific foreknowledge demonstrates that the Bible is truly the Word of God. This DVD is essential for anyone who has questions or doubts concerning the scientific accuracy of the Bible.

Welcome to the world of Nicholas. A completely normal kid who just happens to find himself in some not-so-normal situations.

Fortunately, Nicholas and his best friend McGee always seem to learn a valuable lesson from their wild adventures. Unfortunately, when you're eleven years old (or, for that matter, if you're a cartoon character) there are lots of lessons to be learned.

In "Twister & Shout," Nicholas and McGee learn that when you trust in God you never have to worry about being alone- or being afraid.

**High adventure, live action- combined with animation.**

It's Christmastime! And Nicholas Martin is doing everything he can to take part in it. From playing a wise man (whose beard won't stay on) in the school Christmas play; to helping decorate the family tree (though it seems more lights end up around Dad than on the tree!); to finding the most-excellent-and-perfect gift for his mom. Every day is full of laughter and fun.

But what Nick doesn't know is that this Christmas is going to be different than any other Christmas. Because this Christmas, Nick will make a dramatic discovery... a discovery that will make him look beyond the carols, the decorations, and even the good times with family to find the real meaning of the season.

And the biggest surprise of all is the person who helps Nick make this discovery...

Welcome to the world of Nicholas- A completely normal kid who happens to find himself in some not-so-normal situations.

Fortunately, Nicholas and his best friend, McGee, always seem to learn a valuable lesson from their wild adventures- and his animated best friend, McGee. Together they learn valuable lessons from their wild adventures.

In " 'Twas the Fight Before Christmas," Nicholas and McGee learn about God's love for people who are hard to love.

If so, then you, like thousands of other people, have bought into a lie that is having a devastating effect on our families, our schools, businesses, government and the media. The truth is that people can escape from the bondage of homosexuality- it is both preventable and treatable.

This DVD deals honestly and compassionately with homosexuality. You'll get a biblical perspective on this behavior and a better understanding of its causes and conditions. More importantly, you'll hear from people who once led the so-called "gay" lifestyle and discovered that there is a way out.
