This week, two bishops visited our Church.

On Friday 14th August our Church was blessed by a divine liturgy celebrated by HG Bishop Bimen of Nagada in Upper Egypt.

On Sunday 16th August we were blessed by the presence of HG Bishop Botros. HG has presided over the revolution in the use of technology for spreading the Gospel of Christ in the Coptic Orthodox Church. You can find out more about His Grace's services at the following websites:

The Orthodox Centre for Religious Studies - https://www.ocrs-eg.org/

Aghapy TV - https://aghapy.tv/

And if you don't have access to pay TV, you can watch Aghapy TV online at:
